Dear neighbor,

While we are looking forward to upcoming summer vacation, you may be thinking about what you want to do during summer break. I'm inviting you to join my **Oceans of Possibilities Summer Reading Program**.

Reading is a great way to expand your imagination—you can go back in time, see mythical creatures, or visit a place you've never been before! My summer reading program challenges you to read eight books during your summer break. If you read eight books by August 1st, you'll be invited to an ice cream party I am hosting later this summer and you will also receive an official certificate from the Illinois House of Representatives recognizing your commitment to reading.

I hope to see you as a summer reader and wish you happy final weeks of school as we look forward to summer!

We are here to help!
